

EDOS presents a Scholars-in-Residence program

# Shavuos 5773

with Rabbi Etan and Rebbetzin Rebecca Schnall

*A project of Yeshiva University Center for the Jewish Future*

May 14 - 16, 2013

Rabbi Schnall is currently a member of the Wexner Kollel Elyon at RIETS, a competitive post-graduate fellowship for advanced rabbinic training at Yeshiva University. He has lectured extensively as a scholar-in-residence in cities across North America on topics of Jewish law and philosophy. Rabbi Schnall is also the campus rabbi at Yeshiva University, Rabbinic Intern at the Mt. Sinai Jewish Center, and has served on the editorial committees of the OU Press publications of various commentaries of Rabbi Soloveitchik. Rebbetzin Schnall serves as Assistant Professor at the Columbia University School of Nursing.

Rabbi and Rebbetzin Schnall reside in Washington Heights on the YU campus where they prepare dozens of couples each year for marriage in the laws of Taharas HaMispacha. They are blessed with three children, Chana Esther, Aharon and Baruch. They are thrilled to have the opportunity to join us for the Yom Tov of Shavuos and we look forward to their inspiring Shiurim, Divrei Torah and many exciting programs for all ages throughout the entire Yom Tov.
