Community Thank You From The Kaplans

We are totally indebted and thankful to our EDOS Community for the support they provided to us, our children Judah and Carolyn, and our grandson Raphael Yitzchak HaCohen ben Yehuda Eliezer V'Chaya Leah, during Rafi's recent ordeal.

Rafi born May 20, 2009, proceeded to spend the next six months in the neonatal unit at Columbia-Presbyterian Hospital in New York City. He underwent two colon surgical procedures and was four times involved in life/death situations.

Since his hospital release, he has had his Bris and is now playing catch up, weighing over 11 lbs and smiling incessantly.

I particularly want to thank Rabbi Gitler and the Gabbaim for leading the Kehila, when necessary, in Tehillim at the end of services for the Minyan.

I offer special thanks to Chassed Committee members Agi Fried and Leah Mehler and Alana Mehler Kahn for their herculean efforts in organizing the EDOS women in saying Tehillim, Perek Shirah and baking Challahs.

Through your efforts and support, Hashem heard our collective voices and brought about a Refuah for little Rafi.

Many, many thanks from Burton and Sharon
